## GUELPH CENTER IS OPEN!

Last month the newest Correactology® Center had a successful grand opening in Guelph, Ontario. Jenny Davidson, CHCP®, is welcoming new patients and encourages them to come see her new facilities. Call 519-763-2345 for more information and to book your appointment today.

## Fun Holiday Facts:

- An average of 5800 people end up in the emergency room with injuries due to holiday decorating each year.
- The world's largest gingerbread man weighs 466 pounds and 6 ounces. It was made in Rochester, Minnesota, in 2006.
- The first candy canes were made in Germany in 1670. Apparently the choirmaster distributed sugar sticks bent into the shape of a shepherd's crook to keep young children quiet during service.
- There is a town in Indiana called Santa Claus.
- The US Postal Service is said to deliver 20 billion cards and packages between Thanksgiving and Christmas Eve.
- On average, it takes 7 years to grow a Christmas Tree.

## Looking Forward to a New Year!

There is a lot happening in the Correactology® community and we are excited as to what the New Year will bring. Please stay tuned to future editions of the Corrgazette for up-to-date information, updates, and news. Happy New Year!

## DECEMBER HOROSCOPES

**SAGITTARIUS (NOVEMBER 22-DECEMBER 21)** – It is a good time to begin implementing promises and plans that you have made with yourself as they are likely to proceed.

**CAPRICORN (DECEMBER 22-JANUARY 19)** – You have an abundance of physical energy and self-confidence right now; take on new challenges with ease.

**AQUARIUS (JANUARY 20-FEBRUARY 18)** – You may drive for personal power and achievement at this time. Be careful not to be too unmerciful with yourself about your weaknesses.

**PISCES (FEBRUARY 19-MARCH 20)** – You are entering into a period of emotional change now. Don't be discouraged if you feel you're feeling two ways at once.

**ARIES (MARCH 21-APRIL 19)** – Rigid thinking can get you into trouble at this time. Remember to keep an open mind and not to judge too quickly.

**TAURUS (APRIL 20-MAY 20)** – It is quite likely your daily routine is turning into a rut. Adding the unknown will spark your imagination and creativity.

**GEMINI (MAY 21-JUNE 21)** – This is a very productive time for you. It is easy for you to come up with solutions should you take the time to think it over.

**CANCER (JUNE 22-JULY 22)** – This is a very busy time for you. Do not be timid to take a step back from everything and only do what is necessary. The added pressure will soon be lifted.

**LEO (JULY 23-AUGUST 22)** – Someone may be easily getting under your skin, but this month focus on acceptance, not grudges.

**VIRGO (AUGUST 23-SEPTEMBER 22)** – Hard work is finally starting to pay off this month; however, be careful to not overdo it.

**LIBRA (SEPTEMBER 23-OCTOBER 22)** – Do not sit around and wait for the phone to ring. Have courage and make the call yourself; great things are in store if you work for them.

**SCORPIO (OCTOBER 23-NOVEMBER 21)** – A major event marks the end while simultaneously creating the beginning. Inner reflection may be needed at this time to discover this new opportunity.
