CORREACTOLOGY® HEALTH CARE TO BE PRESENT AT UPCOMING HEALTH FAIRS

BARRIE'S FIRST ANNUAL SPRING BLESSINGS HOLISTIC HEALING FAIR!

Correactology® Health Care has been located in Barrie for quite some time now and we are excited to be a part of Barrie's first annual *Spring Blessings* Holistic Healing Fair. This fair, as well as others that Correactology® has attended, is organized by *Awakening Energy* and supports local business and health initiatives.

This fair will be taking place on Sunday, April 9, from 10am-4pm at The Liberty North located at 100 Caplan Avenue. Come on and support your local Correactology® Practitioner, Adam Waszczylo, CHCP®, and Correactology® student, Alannah Luttrell, as they spread the word about Correactology® and all it has to offer.

For more information on this fair, as well as others that may possibly be in your area, please visit: www.holistichealingfair.com/barrie.html

3RD ANNUAL HOLISTIC & SPIRITUAL WELLNESS FAIR!

Saturday, April 29, marks the third annual Holistic & Spiritual Wellness Fair in Woodstock, Ontario. Correactology® Practitioner, Jenny Davidson, CHCP®, as well as Correactology® students, Hazel Graves and Lori-Anne Butyn, are proud to be representing Correactology® Health Care at this event.

This event is organized in attempts to promote natural health and wellness through community involvement and local business initiatives. The event will run from 10am-4pm and is being held at 895 Ridgewood Drive. The organizers are only asking for a donation for adults and admission for children under the age of 12 is free. All donations and proceeds from this wellness fair will be going to two different charities.

*For more information on this fair, please visit their Facebook page at:

STUDENTS' PRECEPTORSHIP SESSIONS STARTING THIS MONTH

At the Canadian Institute of Correactology®, Group 3 students are about to complete the following:

- An extensive 3.5 years of schooling which includes 9 semesters and 22 courses, known as the Correactology® Practitioner Program.
- The curriculum includes a wide variety of scientific, ethical, business, communication and clinical components called preceptorship observation and internship sessions.
- This educational process helps students acquire the knowledge and develop the skills and abilities necessary to practice Correactology® Health Care.

The clinical component called the **Preceptorship Observation and Internship Sessions** will start at the beginning of April 2017. Correactology® Health Care patients will have the opportunity to meet the following students in various Correactology® Centers: Marie-Line Cronier, Lori-Anne Butyn, Hazel Graves, Alannah Luttrell, Sara McCulligh, Nathalie McGlade, and Stephanie Menard.

EARTHPLAY FOR EARTH DAY

Saturday, April 22, is Earth Day! Every year, Earth Day Canada holds a different campaign to get people all over the country engaged to protect and celebrate our beloved planet and everything it entails. Last year, the campaign was focused on educating and promoting people to reduce and become aware of their carbon footprint. This year, they are focusing on the idea of earthPLAY. The organizers suggest that children who don't get enough time outside simultaneously aren't getting enough exercise as well as won't understand initiatives to protect the planet. Types of earthPLAY include: playing tag, tree climbing, fort building, hopscotch, and visiting local playgrounds. For more information please visit <https://earthday.ca>.

PATIENT TESTIMONIAL

I have lived for over 20 years with fibromyalgia and anyone living with this disease knows how painful it is!

Over a year ago I started to see Julie Bedard CHCP® at [the Correactology®] clinic in Sturgeon Falls and I have to say thank you for the bottom of my heart for helping me get rid of this pain... it took a while for my body to adjust to the treatment but once it did oh la la it was a miracle for me!

So this is my testimony and I hope it helps anyone living with any kind of pain to check [these treatments] out! ☺

- Francine Poisson
