2ND ANNIVERSARY OF THE CORRGAZETTE!

Correactology Health Care Group Inc. is happy to announce the two-year anniversary of the Corrgazette!

What was initially created to increase communication has rapidly become so much more. The idea of the Corrgazette was put forth by a student of the Correactology[®] Practitioner Program. The idea was to create a form of internal communication between the Correactology[®] employees and students. This idea quickly grew and aided in the creation of our Correactology[®] community. Information for this Corrgazette comes from patients, students, Practitioners, Patient Services Coordinators, corporate employees and CHCG board members. The Corrgazette is now distributed around the province within Correactology[®] Centers and online at correactology.com.

CHCG would like to especially thank Sara McCulligh, Correactology[®] Practitioner Student, Karen Boczek, CHCG Operations Manager, and Luciano Ingriselli, CHCP[®], for their contributions in the creation and implementation of the Corrgazette.

Did you miss a month? Would you like to share your story with us? Previous issues of the Corrgazette as well as means to create a testimonial can be found online at www.correactology.com.

A NOTE TO OUR MOTHERS:

From Correactology® Practitioner Students

- "My mom is my best friend and often my inspiration. We laugh and cry together but most of all we grow together. Life would not be the same without her in it."
- "Growing up, my mother and my grandmother have always been my heroes. I definitely wouldn't be who I am today without them and I find now that I am a mom I am constantly trying to be like them."
- "Thank you mom – for absolutely everything."
- "I'm not sure mothers actually sleep, I'm pretty sure we just worry with our eyes closed. I realize that now."
- "Thank you. There really aren't enough words. Just thank you."
- "Mothers are always by our side, even if we cannot see them. Their love will always be there to guide us."
- "I hope I am half as strong and amazing as you are."

ANNOUNCEMENTS

- The students of the Correactology® Practitioner Program would like to thank all patients who have been, and continue to be, an integral part of their preceptorship observation sessions. This is a huge learning opportunity and your help is greatly appreciated.
- The Timmins Correactology® Center has officially been practicing for a full year in their new location!
- The Correactology® Practitioner Program is currently taking applications.

For FALL 2017 start, the application deadline is July 14th, 2017. Go to correactology.com, click on STUDENT, go to the bottom of the page and you can download an application form.

Let's Treat Our Mother

*Treat her the way you would like to be treated
Take her on an outing she will appreciate
Find out what would make her happy
Don't let her pick up a single dish
Make her something yourself
Tell her why you love her
Go for a family walk
Laugh together
Brunch
Love*

*Happy
Mother's
Day*

DID YOU KNOW?

- ❖ Approximately \$14 billion dollars is spent on Mother's Day.
- ❖ Studies and research now show that giving a bouquet of flowers has many positive health and psychological benefits.
- ❖ Moms deserve the praise: 84 per cent of Canadians think that being a mother is one of the hardest jobs there is, and 64 per cent of Canadians consider Mom to be one of their heroes.
